## Pupils of 40 Years Ago Honor Teachers

Mrs. Nettie Steinhilber, Dr. Minnie M. S. Proctor, former residents of Torrance now residing in Los Angeles, and Mrs. Frank Steinhilber, 1739 Gramercy, were present last Friday at a unique gathering held at the Cornwall street school, Boyle Heights, when pupils, and some teachers who were enrolled there 40 years ago gathered for a reunion.

The gathering was held in a classroom which is a part of the original building, still standing and still in use although several additions to the structure have since been made.

In the Steinhilber party were former schoolmates, Mrs. Charles Wiley and Mrs. W. K. Earle, other schoolmates who were present and well known to the Torrance visitors were William Rojo, now owner of the Torrance Laundry, and Eugene Biscailuz, sheriff of Los Angeles county.

The affair took on the aspect of a school session held in the old familiar room, with old associates occupying their desks and presided over by one of their former teachers, who has been actively engaged in her profession in the same school for more than 40 years.

On this occasion a handsome plaque was dedicated to the teachers of 40 years ago, three of whom are still living, two retired from active work, the third still gallantly carrying on. All three were present at the ceremonies.

Following the dedication a turkey dinner was served to the 200 guests and Lester Donahue, a noted pianist of Los Angeles, whose mother was a teacher at the Cornwall street school, played a short program.
